### PAST & PRESENT POSITIONS

#### Consultant in Neurological Rehabilitation Medicine

*Frenchay Brain Injury Rehabilitation Centre, Bristol, March 2004 to present.*

I have completed nearly 12 years in the post of Consultant in Rehabilitation Medicine at Frenchay Hospital, Bristol.

I am the clinical lead for neurological rehabilitation for North Bristol NHS Trust. My clinical responsibilities include in-patient rehabilitation care for patients with complex acquired neurological disorders and delivery of an out-patient service in general neurological rehabilitation & specifically for spasticity and head injury.

I act as clinical lead and Trust assessor for adult patients considered for Intra-thecal Baclofen treatment. I have mentored physiotherapists in learning botulinum toxin injections. I am involved in the development of rehabilitation services at Frenchay and in the community. I offer teaching to medical students and colleagues.
