### EXPERT WITNESS EXPERIENCE & TRAINING

I have extensive clinical expertise and experience in the field of brain injury rehabilitation. I have networking with Brain Injury solicitors & Case Managers through my Steering Committee position in the Kent Brain Injury Forum. I have done several relevant courses and written two Medico-legal Reports as per the instructions of the solicitors. Within my current role, as the Director of a large neuro- rehabilitation service, I write patient reports regularly for the Police and Insurance Companies.

# Dr Mohamed Sakel
