EXPERT WITNESS EXPERIENCE

Dr Sreedhar Kolli is an experienced expert witness. He provides medico-legal reports for personal injury claims, NHS internal investigations, civil proceedings, and coroner's inquests. His expert witness practice is grounded in over 20 years of specialist clinical experience and formal training in trauma, orthopaedics, and spinal cord injury rehabilitation.

Dr Kolli produces clear, clinically detailed, and timely reports that address complex issues in spinal injury, amputee medicine, and complex polytrauma rehabilitation. He explains medical terms clearly and delivers concise, evidence-based opinions on prognosis and functional outcomes. He has attended multiple medico-legal training courses, including his most recent update in 2022.
