

Mr Iqbal Syed

CV

PRINCIPAL PROFESSIONAL SPECIALISMS

**Consultant in ENT (Otology + Neurotology
+ Skull Base Specialist)**

MBBS, MS, DLO FRCS (ORL-HNS)

QUALIFICATIONS & ACCREDITATION

- MBBS, University of Pune, 1995
- MS (Master of Surgery), University of Pune, 1998
- DLO, Royal College of Surgeons in England, 2003
- MRCS, Royal College of Surgeons in Glasgow, 2005
- FRCS (ORL-HNS), Royal College of Surgeons in Glasgow, 2013

PAST & PRESENT POSITIONS

- **Substantive Consultant in ENT (Otology, Neurotology and Lateral Skull Base Surgery)**, NHS Lothian, Edinburgh, 2014–present
- **TWJ Clinical Fellow in Otology and Skull Base Surgery**, University of Toronto, Canada, 2014
- **Specialist Registrar in Otolaryngology**, East Scotland, 2007–2013
- **Otolaryngology Post**, Royal Alexandra Hospital, Paisley, 2006
- **Basic Surgical Rotation in Orthopaedics, General and Colorectal Surgery, Neurosurgery and Otolaryngology**, 2003
- **Registrar in Otolaryngology**, Sultan Qaboos University Hospital, Oman, 2001
- **Otolaryngology Post**, Ekta Hospital and VND Hospital, Mumbai, India, 2000
- **Master of Surgery Training in Otolaryngology**, BJMC and Sassoon Hospitals, Pune, India, 1995

MEMBERSHIPS OF PROFESSIONAL BODIES

- GMC (6042032)
- Fellow of the Royal College of Physicians and Surgeons in Glasgow

ABOUT DR SYED

Mr Iqbal Syed is an experienced Consultant in ENT, specialising in ear conditions, hearing and balance disorders, neurotology and lateral skull base surgery. He brings his extensive clinical and academic experience to his growing medico-legal practice.

He is a substantive Consultant in ENT with NHS Lothian and an Honorary Senior Lecturer at the University of Edinburgh. He completed a TWJ Clinical Fellowship in Otology and Skull Base Surgery at the University of Toronto in 2014. His wider surgical training covers otolaryngology, neurosurgery, orthopaedics and general and colorectal surgery.

His clinical and academic work covers Ménière's disease, vestibular schwannoma, hearing loss, cochleovestibular dysfunction, middle-ear surgery and skull base conditions. He has published widely, contributed to a leading otolaryngology textbook and taught doctors in training, medical students and colleagues preparing for professional examinations.

Mr Iqbal Syed

CV

PRIZES/ACHIEVEMENTS

- Book Chapter for Scott Brown 8th Edition 'Molecular Genetics of Otolaryngology'
- Examiner for the National Assessment Collaboration (OSCE exams for international medical graduates seeking a license to practice medicine in Canada)
- Awarded 'TWJ fellowship in Otolaryngology and Neurotology 2014' to the University of Toronto and a 'Travelling Otolaryngology Fellowship' by Royal College of Surgeons of Glasgow (6 weeks) to visit Otolaryngology departments at Zurich University Hospital, and Toronto General Hospital in 2011
- Reviewer to: Laryngoscope, Clinical Otolaryngology, Otolaryngology Head and Neck Surgery. Received CME credit certificates for reviews performed.
- Awarded gold medal & scholarship for standing first in the Master of Surgery (Otolaryngology) examinations
- Prize for best oral presentation at 'East Anglia Orthopaedic meeting' 2005

TEACHING/ EDUCATION

- Faculty 'Temporal bone dissection'
- Faculty 'FRCS Dundee course'
- 'Training the Trainers' course- June 2013
- Co-ordinating teaching timetable for FY2 and GPST trainees at St John's hospital (2012/2013)
- Co-ordinated teaching timetable for FY2 and GPST trainees at Raigmore Hospital (2011/2012)
- Lectured on 'Managing nasal symptoms' at ENT in primary care at the Royal College of Surgeons in Edinburgh (2009)
- Ongoing informal teaching for colleagues approaching FRCS and DOHNS examinations, GPST/FY2 doctors rotating through unit and medical students on their ENT block

ACADEMIC LECTURES

- Guest Speaker at 2nd International Conference in Otolaryngology and Rhinology (March 2015) Dubai, UAE
- Paediatric ENT problems and their management, Edinburgh Community Nursing School (Sept 2013)
- ENT Emergencies, Undergraduate, Edinburgh University (March 2009)

RESEARCH / GRANTS

- Grant from TWJ trust & ENT Scotland to attend 'Mario Sanna' & 'Fisch' skull base dissection courses 2017-2018
- TWJ fellowship- Otolaryngology/Neurotology, University of Toronto July-Dec 2014
- Royal College of Surgeons in Glasgow- Travelling fellowship to visit Otolaryngology/Neurotology departments in Zurich (Switzerland) and Toronto (Canada) 3 weeks 2011/2012 each
- 'Edinburgh skull base data base' updated the data base, and presented 2 papers at the 'European skull base society meeting' in Paris, 2014
- "Centrosome hyperamplification by Gamma tubulin: A powerful indicator of recurrence in squamous cell carcinoma of the larynx"
- Abridged versions presented at autumn 2007 ORS meeting (London), winter 2007 Scottish otolaryngology society meeting, and 2007 Royal Society of Medicine meeting in London.
- Abstract published in 'Clinical Otolaryngology'
- Full paper published in 'Otolaryngology head and neck surgery'.
- "Interventions for the prevention of early ear discharge after insertion of ventilation tubes (grommets) in children" 2011-2012
- Cochrane Review, published in Cochrane database of Systematic reviews 2013.
- Abridged version presented at the summer 2013 Scottish otolaryngology society meeting
- "Positive pressure therapy for Meniere's disease: a systematic review"
- Review completed with Profs Browning and Rutka, published in Clin Oto
- "Silicone stent versus no stent for dacryocystorhinostomy":
- Cochrane review- ongoing 2014-2015

PRESENTATIONS/MEETINGS

- British skull base society meeting, 24-25 Jan 2019, Glasgow
- Otolaryngology section of RSM, London, 3rd Nov 2017
- 'Intratympanic therapy for refractory Tinnitus: up to date evidence for medical practice' at the CHOLE2016 meeting, Edinburgh, June 2016
- 'The benefit of silicone stents In Primary endonasal Dacryocystorhinostomy: A systematic review and meta-analysis' at the ENT Scotland summer meeting, Dunblane, May 2016
- 'Intratympanic injections in Meniere's disease or syndrome: up to date evidence for clinical practice' at the Summer Scottish Otolaryngology Society meeting, Dunblane May 2015
- 'Trends in the management of Meniere's disease or syndrome' at the 2nd Otolaryngology and Rhinology Conference, Dubai April 2015 [as guest speaker]
- 'Surgical Management Of Spontaneous CSF Leaks Involving The Temporal Bone' at the European Skull base Congress, Paris April 2014 & the Scottish Otolaryngology society meeting, May 2014
- 'Surgical Management Of Cerebrospinal Fluid Leaks Involving The Temporal Bone: The Edinburgh Experience' at the European Skull base Congress, Paris April 2014
- 'A new analgesia regimen after (adeno) tonsillectomy in children: a pilot study' at the BAPO meeting, Cambridge September 2014
- 'Interventions for the prevention of early ear discharge after insertion of grommets in children' at the Scottish Otolaryngology society meeting, May 2013
- 'Endoscopic Primary dacryocystorhinostomy: Are silicone tubes needed?' Scottish Otolaryngology society meeting, May 2013
- 'Early experience of Radio Frequency coblation in the management of Intranasal and sinus tumour' at the Annual ENT UK/ORS (Otolaryngology research society) meeting Aug 2011

Mr Iqbal Syed

CV

PRESENTATIONS/MEETINGS CONT

- 'Hemoglobin monitoring in head and neck cancer patients' at the Scottish Otolaryngology society meeting, 2009
- 'Centrosome hyperamplification as a fast track prognostic phenotypical marker of prognosis in laryngeal SCC' at the ORS (Otolaryngology research society meeting) 2008 in London and Royal Society of medicine Feb 2008 meeting, London
- 'Length of stay in hospital for adult tonsillectomy: A prospective study on patients' preferences' at the 2009 Audit meeting at the Royal College of Surgeons in Edinburgh
- 'Managing nasal symptoms at 'ENT in Primary Care' at Royal College of Surgeons in Edinburgh, January 2009
- 'Prospective, blinded study of nasal injuries: comparison of doctor and nurse assessment.' at the Scottish Otolaryngology society meeting, 2008
- 'Gamma tubulin: A powerful indicator of recurrence in human squamous cell carcinoma of the larynx' 2007 winter Scottish Otolaryngology society meeting
- 'Quality of Neurosurgical referrals: an audit of practise' 2006 at the Neurological Sciences Audit meeting in Glasgow
- 'The Usefulness of post operative X- Rays in patients with total Hip replacement', at the East Anglia Orthopaedic meeting 2005
